

OEM INVENTORY CONSTRAINTS?

Don't let OEM delays and allocation keep you from meeting deadlines. Axiom has stock!

Axiom has you covered with the products and solutions you need, when you need them. So forget the stress and leave behind the inventory constraints and headaches, and let Axiom help you deliver!

AXIOM PRODUCTS:

- Memory including DDR4, DDR3, Server, and UCS
- SSDs for all systems
- Hard drives for all systems
- Networking solutions including transceivers (SFP, QSFP, DAC, AOC) and a full line of copper and fiber cables.
- Notebook batteries and AC adapters
- Flash
- Third-party maintenance
- A/V cables
- and more!

THIRD-PARTY MAINTENANCE:

Can't get the new systems your client needs? Axiom can help you cover the old hardware until the refresh is needed.

We support all major OEM brands with maintenance contracts for:

- Server
- Networking
- Storage
