DisplayPort™ Adapters

Axiom DisplayPort adapters support output to HDMI, DVI, VGA, Mini DisplayPort, and standard DisplayPort equipped devices.

Mini DisplayPort™

The ideal solution to connect mobile devices to Mini DisplayPort capable HDTVs and projectors. These are most popular with iMac, Mac and Mac Pro systems.

HDMI®

HDMI delivers high-definition video and audio over a single cable. HDMI adapters, converters, and cables enable seamless and simple configurations.

USB

Axiom offers USB 3.0 cables supporting up to 10Gb/s data rate using a single cable for power, video, and data with USB Type-A to USB Type-C connections.

TOSLINK® Optical Fiber

Optical digital audio cables are designed to provide full and detailed sound while virtually eliminating any interference.

Mobile Audio Adapters

Axiom's durable, high-quality cable adapters provide cost efficient and practical audio upgrades.
